Ben Faulk
P.O. Box 5369
Fallon, NV 89407

Dear Ben

Big R started offering the Sticker Stalker in mid-June. This product has been well received by our customers as an alternative to weed control with herbicides!

Our Fallon Nevada store averages 60 units per month, and we will soon add it to our store in Burns, Oregon. This hand weeder really works!!

Sincerely,

A handwritten signature in black ink, appearing to read "Lane McAllister", written over a horizontal line.
